SERVPRO of Ozone Park/Jamaica Bay

Willis, Robert C. & Citrangola, Robert
87-17 97th Avenue, Ozone Park, NY 11416
Phone: 347-233-2305 Fax: 347-233-3174

Servpro is a nationwide franchise system and has been in the cleaning restoration industry for the past 40 years. Servpro is a full service, cleaning and restoration contractor, licensed for emergency service restoration and construction. It services Queens, Brooklyn, the Bronx, Manhattan, Staten Island and Long Island.

Recently, Servpro has significantly increased its market share throughout the metropolitan area. It is continuing this by aggressively pursuing all options available. Servpro will help in many ways.

(1) Plan to analyze your cleaning and restoration situation in the future.

(2) Evaluate whether your current facility emergency system is cost effective.

(3) Are you considering outsourcing your disaster relief effort?

(4) Are you unhappy with your current contractor/consultant?

(5) Merely want to establish an association with an alternative source should the need arise? We would enjoy the opportunity to discuss your requirements (and present our services) in greater detail

Servpro is a full service restoration company licensed for emergency service restoration and cleaning as well as construction services.

Curves

75-25 31st Avenue, East Elmhurst, NY 11370
Phone: 718-565-0800 Fax: 718-565-8089

Created specifically for women, Curves offers a complete fitness and nutrition solution. Curves' 30 minute workout exercises every major muscle group and burns up to 500 calories through a proven program of strength training, cardio and stretching.

In addition, club promotions and events encourage women to support charitable causes, learn about health-related issues and forge lasting friendships as part of the global Curves community.

Enhancing the Curves workout is CurvesSmart™, your personal coaching

system. CurvesSmart individualizes and customizes each workout by monitoring heart rate, workout intensity, range of motion and repetitions and then providing a progress report including number of calories burned.

Curves also provides a nutritional component, Curves Complete. This online subscription program is a nutritional and diet resource that offers personalized meal plans, recipes and expert advice to members and non-members alike—wherever and whenever you are. It's the perfect complement to your Curves club membership.

World Trade Copiers

65 Broadway Suite 507, New York NY 10006
Phone: 212-267-0500 Fax: 212-267-3376

At World Trade Copiers, it's our goal to create a productive and efficient workplace environment for you, based on your needs and using the best technology available. Additionally, we seek to provide you with responsive service and attention, while keeping your costs down and your productivity up.

World Trade Copiers was founded in 1985 as a service and repair shop for copiers, telex machines, typewriters, dot matrix printers and telecopiers, known today simply as fax machines. We prided ourselves on being the company having any ribbon for any typewriter in stock guaranteed.

But, that wasn't enough. As customers urged us to recommend new equipment for their offices, we then expanded our services to sales and leasing in 1995. World

Trade Copiers is now situated in the heart of downtown Manhattan where our showroom, offices, warehouse and service area are located.

Owing to our company's beginnings as a service and repair shop, we understand the value of fast and reliable service, and we pride ourselves in our outstanding service-tech team and our minimum response time. Furthermore, in order to better serve our clients, we are continually expanding our technology and services, and now specialize in office equipment, document management, and IT consulting and support.

As office technology transforms and evolves, so does World Trade Copiers. We understand that office solutions are more than just copiers and printers, and in January of 2005 we appropriately changed our name to World Trade Office Solutions.
