GLACIAL ENERGY

Are You Interested In
Saving Money On
Your Commercial
Electric Bill?

You now have a choice
in you commercial electricity
supplier!

SAVE up to 15%

When you switch to Glacial Energy
Your electric service will
not be interrupted.

Going GLACIAL is THE Choice.

Glacial Energy is a
direct Retail Electricity
Supplier (RES) that
was established in
New York when the
market deregulated
in December 2005.

Glacial Energy sells
power in 12 deregulated
markets, with over five years of experi-
ence dealing with the needs of all sizes
of commercial and industrial consumers.

Your local utility owns all of the infra-
structure and will continue to deliver
your electricity; Glacial Energy would

become your power supplier.

The transition is without interruption,
free and with exceptional customer
care.

Our contracts are extremely flexible
and do not contain any cancellation
penalties or volume commitments.

If you are interested in receiving a
no-obligation quote, please fax a recent
copy of your electric bill, along with your
name, number and email address to
Linda.logsdon@glacialenergy.com.

If you are a non-profit or tax-exempt
entity, you may qualify for our Glacial
Cares Program.

Please visit us on the web for more information
