WILL STEACY

Dear Queens Chamber Members, Sponsors and Guests:

Our mission and vision rings as loud, proud and true now as it did in 1911: "With over a century of leadership, the Queens Chamber of Commerce fosters economic growth and prosperity in the most diverse community in the United States by promoting the interests of business through advocacy, networking and education."

Over the past year, we connected our Members to each other, to New York City, New York State and Federal resources and the business community at large. This was accomplished by further engaging Queens NYC Council Members, our elected officials in Albany and Washington, DC. We have expanded our relationships in the MWBE sector and fully support NYC and NYS efforts in this area.

Today, we have 10 Member Committees including Real Estate, Transportation, Healthcare & Wellness, Tech, Energy & Environmental, Restaurant & Hospitality, Not for Profit and Manufacturing. As the home to numerous colleges and universities, with over 70,000 students, the Queens Chamber believes we are the fulcrum to harness the power of the academic world and the business environment here in Queens County.

Today's Business Expo is highlighted by our new Luncheon Kickoff at 12 Noon entitled, "Why Tech Needs Queens" and includes Liz Lusskin, President of the Long Island City Partnership; Julie Samuels, Executive Director of Tech:NYC; and Thomas A. Donovan, Partner, Vice Chairman, B6 Real Estate Advisors.

Further, we have a major panel presentation on all the work going on at both LaGuardia and JFK Airports, starting at 2:30 pm entitled: **Taking Off: LGA and JFK Opportunities**

Panelists:

Suzette Bather-Taylor

Senior Program Director, Strategic Capital Initiatives
The Port Authority of New York and New Jersey

Quentin Braithwaite

Senior Vice President, Strategic Engagement Director
McKissack & McKissack
The New Terminal One Project Management Office

Tracy Sandford

Senior Director of Communications
LaGuardia Gateway Partners

Ryan Marzullo

Program Director at Delta Air Lines

David Garten

Senior Vice President, Infrastructure Investment and Emerging Sub-Markets
JetBlue

We also have business partner and affiliate agreements in place throughout the Borough. We have established relationships with the leaders and the major organizations and BIDs in Queens. We believe in the power of unity and working together for the common good.

The Queens Chamber of Commerce is especially proud of our working relationship with the Long Island City Partnership, the Greater Jamaica Development Corp and the Queens Economic Development Corp. Further, we are supporting the efforts of the Greater Flushing Chamber of Commerce, the JFK Chamber of Commerce and the Korean American Chamber of Commerce; all in Queens and all having varied interests and agendas. We recently have begun outreach to the Rockaway Development & Revitalization Corporation and the Rockaway Business Alliance (RBA); among others to better position ourselves to be in support of their work and mission.

With a host of new events being held at a number of new venues, we will continue our outreach throughout Queens.

As the most ethnically diverse place on earth, the Queens Chamber of Commerce will continue to strive, unify, connect and live by the words, "E pluribus unum," the traditional motto of these United States of America.

If you are a Member of the Queens Chamber of Commerce; thank you for your support. If you have not yet decided and want to learn more, please call me for a personal introduction to our staff, our services and all that we have to offer!

A handwritten signature in black ink that reads 'Thomas J. Grech'.

Thomas J. Grech
President & CEO, Queens Chamber of Commerce
